

Now you can Shop With Scrip online to purchase ScripNow eGift Cards!

Many vendors (but not all) now allow participants to purchase electronic gift cards from Scrip. These electronic cards pay the same rebate amounts as physical cards sold at Scrip on Tuesday nights.

Set Up Procedures:

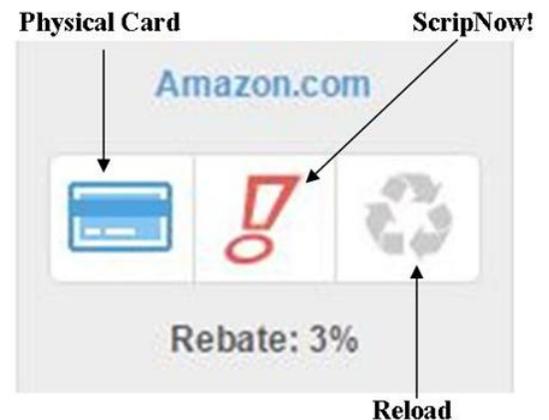

1. To understand the Scrip program and using ScripNow, go to www.shopwithscrip.com and click on the *Learn* link on the top right of the page. The *Family Ordering* link within the *Learn* section will explain how the program works.
2. Give the Scrip team your email address. This will be entered as your user name in the scrip system.
3. Go to the *Sign In* link at shopwithscrip.com. Enter your email address as your username and then click *forgotten your password*. On the next screen, you will enter your email address to have your password reset. You will then receive an email with a temporary password. Follow the steps as you are prompted through the security questions and use the temporary password when you are asked for your old password.
4. After you have logged in, click on *Dashboard* to get started.
5. Click on *PrestoPay*.
6. Watch the PrestoPay Family Registration tutorial video. Follow the instructions on the video to set up PrestoPay.
7. Once you have received your PrestoPay Approval Code, record it on the ScripNow waiver form. Return the form to the scrip team. This entire set up process will take about a week.

Important Info:

When you purchase scrip online, you will have the option of choosing:

1. Physical card (DO NOT CHOOSE THIS OPTION)*
2. ScripNow
3. Reload a scrip card.

*Ordering a physical card adds that card to our next weekly order. It could take up to 14 days for you to be able to pick up this card from the scrip team. Please use ScripNow instead. If you order a physical card, the card cannot be canceled or returned. You will be responsible for this card.

Retailer List for Scrip Now:

1. Click on the Shop link.
2. Choose Alphabetical or Category List. All retailers that offer ScripNow will have an "S" in the "Card Type" column.
