NEW BLAST FORMAT!

HHBB is moving to a new blast format using Vertical Response e-mail marketing service. During this transition, we will be sending the blast via Vertical Response as well as Charms. We expect this duplication to occur for two to three weeks and then we will move to VR for the majority of our e-blasts. We will continue to utilize Charms as a backup / secondary service for e-blasts. It is important that you keep your E-mail addresses updated in our Charms database as that is the same information we use to populate our e-mail notification lists. You can find instructions for using Charms on the HHBB website ([Click here](#)). We will also continue to post the weekly Blasts and other important announcements on the website home page. Thank you for your patience as we move to this new format.

NOTICE Web e-mail is currently not working.

All staff & board member e-mail address ending in \u201charrisonbands.org\u201d are temporarily unavailable. We apologize for this inconvenience. If you need to reach someone on the board or a member of the staff, you can send an e-mail to harrisonbandsonline@gmail.com and your message will be forwarded to the appropriate person. Thanks for your patience as we work to resolve the issue.
