

BandTober Calendar Fundraiser

~~~~~

**When: AUGUST 29, 2022- SEPTEMBER 16, 2022**

## **How It Works:**

- The BandTober Calendar Fundraiser is a **REQUIRED** band fundraiser for ALL band members. This is an easy fundraiser as there are no products to pick up/deliver, and it is easy to complete. You are simply asking friends and family to sponsor a day on the calendar. The BandTober calendar has 31 days, and each calendar day represents a dollar amount. For example: October 1 = \$1. So whoever picks this day donates \$1. Donors can pick any day in October and as many days as they want! If the donor picks multiple days, they add their sponsored days and pay the total. For example: If your donor picks Oct. 26th and 27th, they donate \$53. You collect the donation at that time (Check or Cash).

**\*\*PLEASE NOTE: The first \$125 raised goes to the band. The rest of the money raised goes towards your band fees!! For one completed calendar, that is \$361, which is equivalent to an entire month's band payment plus a little more towards the next month!**

- If you complete your calendar and have time to work on another, please feel free! You may complete as many calendars as you can or add multiple names each day. All funds raised after the required \$125 go towards your band fees!
- **Marchers:** ask your family, friends, neighbors, and parents' co-workers to donate!! Let them know: "We are raising funds for the band for BandTober (or October)! This is the month in which we have all our competitions and exhibitions, and I would like to know if you would sponsor a day or multiple days in October. Please choose your favorite date(s) on the calendar and donate that amount!"
- **Please turn in your completed calendar and donated funds in the attached envelope and place them in the HHBB box in the band room.**
  - o **Please only turn in ONE CHECK per calendar in this envelope. (Have all donated checks made to your name to condense your payment to one check to turn in as this is easier to keep track of and account for your marcher). Fundraiser ends 9/18/2022**

**\*\*The FIRST marcher to turn in a completed calendar will win a prize! All completed calendars will go into a drawing for a Grand Prize!**
