

Harrison Percussion **2026-2027 Stick Fee**

The Harrison Percussion Program uses an incredibly wide variety of Sticks, Mallets, and Beaters, throughout the many Ensembles at Harrison High School. Rather than have each student purchase all of these assorted implements, (some of which may be used only one time), The Harrison Band Program provides them for a yearly fee.

This fee goes to cover a portion of the budgeted cost for new sticks, mallet repairs, and mallet replacement throughout the entire program. Stick expenses for the program in 2025-2026 were in excess of \$6,000 or \$152/student! In order to make these vital pieces of equipment available to all percussion students, Harrison Bands picks up the remainder of the cost.

2026-2027 Harrison Percussion Stick Fee is \$130/student.

Due date: Friday, August 14th, 2026

In addition to having access to all of the community sticks, mallets and beaters at Harrison, upon paying their fee, each student will receive one (1) pair of Vic Firth 2B Drumsticks valued at \$14.99.

Thank you for your continued support of the Harrison Percussion Program and for helping us keeps the best sticks and mallets affordable and available for everyone!
